### Next Steps

If you are missing any items in the checklist above, gather them and log back into your FAFSA account. **Indiana's FAFSA deadline is April 15th.** You must submit your FAFSA by this date. There is no deadline to making changes on your FAFSA, but all corrections must be made before you are can receive aid.

Once you have submitted the FAFSA, you can create a ScholarTrack account to track whether Indiana has the correct information for you. Create a Scholar Track student account at [ScholarTrack.IN.gov](http://ScholarTrack.IN.gov).

If you need additional help with your FAFSA, attend College Goal Sunday to get in-person assistance. Find the location nearest you at [CollegeGoalSunday.org](http://CollegeGoalSunday.org).
