Wednesday: It’s pop quiz time! According to the Indiana Commission for Higher Education, how much money does the average 4-year public college cost to attend for one year? Assume the student attending lived on campus in a dorm.

- A. \$35,438
- B. \$9, 378
- C. \$22,333**
- D. \$18,830

The average cost was C. \$22,333!

Thursday: It’s time for some trivia! What’s the best way to earn scholarships for college?

- A: Get good grades
- B: Participate in an extracurricular activity
- C: Volunteer
- D: Graduate with a Core 40 with Honors diploma?

Trick question! There are scholarships available for students who do any or all of these, and more! Check out LearnMoreIndiana.org/cost to learn about scholarships and more.

Friday: Attention seniors! If you’re planning on going to college this fall—or even think you might possibly go—you have to fill out the FAFSA at FAFSA.gov. The FAFSA is the only way to be eligible for financial aid including state and federal grants, loans and work-study funds. Most colleges also require the FAFSA to receive any scholarships you may be eligible for. Don’t delay—the FAFSA deadline is April 15th! Enjoy a stress-free weekend and file your FAFSA today!
