School Announcements for High Schools

Monday (4/20)

This week is all about figuring out your future! Whether you have a specific career in mind or you're still exploring, researching careers in Indiana can help open your eyes to all the options available. From teachers to designers to coders, we need people to fill every job imaginable!

Check out **LearnMoreIndiana.org/career** to learn more about careers in Indiana and what kind of career might be right for you.

Tuesday (4/21)

Still trying to decide the right career for you? That's OK; you have time to figure it out. Try creating a free account at **IndianaCareerExplorer.com** and taking the quizzes they offer, like the career interests assessment, to learn more about what careers might best fit your interests and skills.

Wednesday (4/22)

Time for a pop quiz! How many jobs created since the Recession have gone to people with at least some college?

    a. 50%   b. 34%   c. 75%   d. 99%

The answer is D! 99% of all new jobs created since the Recession have gone to people with at least some college! That doesn't mean you need to get a 4-year degree, but education and training after high school will help you land the career of your dreams!

Thursday (4/23)

Not sure if a career you're interested in is right for you? Consider an internship or job shadow to discover if it's a good fit.! Come talk to your school counselor to help you find out where to find internship and job shadowing opportunities.

Follow Learn More Indiana on Instagram to find more tools to help you plan for the future. Follow them on Instagram **@LearnMoreIndiana**.

Friday (4/24)

It's not enough to know how to do your job, you also need soft skills (or employability skills). Employers look for people who with a strong work ethic and teamwork and communication skills. As a class, spend 5 minutes brainstorming how you can practice soft skills now to prepare you for your future!
