Monday (4/20)

Do you know what you want to be when you grow up? Whether you're planning on becoming a scientist, a teacher or something entirely different, this week is for you! Indiana needs workers in almost every job imaginable, so dream big and consider all the possibilities.

Check out LearnMoreIndiana.org/career to learn more about careers in Indiana and what kind of career might be right for you.

Tuesday (4/21)

Not sure the right career for you? That's OK; you have plenty of time to figure it out. Try creating a free account at IndianaCareerExplorer.com and the fun quizzes they offer, like the career interests assessment, to learn more about what careers might best fit your interests and skills.

Wednesday (4/22)

Time for a pop quiz! How many jobs created since the Recession have gone to people with at least some college?

- a. 50% b. 34% c. 75% d. 99%

The answer is D! 99% of all new jobs created since the Recession have gone to people with at least some college! That doesn't mean you need to get a 4-year degree, but education and training after high school will help you land the career of your dreams!

Thursday (4/23)

Today is Career Dreams Day! As a class, spend the next 5 minutes talking about your career dreams and what you need to do to make them happen. Planning now can help make it easier to achieve your dreams when you're older.
