It is strongly recommended that you write your essays and personal statements well in advance of your school's College Application Week. Your English teacher, school counselor and other adults you trust are good resources to assist you in getting your essays to a final version. You should bring a final, proofed, electronic copy of your essays and/or personal statements on a flash drive to the event, or email them to an email address that you can access from a school computer. If you are participating in e-learning, be sure to talk to your school counselor ahead of time so you have all your materials.

Test Scores

List the scores for ACT/SAT tests you've taken. If you have not yet taken the SAT or ACT, speak with your school counselor about upcoming test dates. Most colleges will require an "official" score sent by College Board (SAT) or ACT (ACT). Talk to your school counselor about how to do this.

Planning your Major

Many colleges will ask for information regarding your college plans. Do research prior to your school's College Application Week event to find out if the colleges you are interested in have the major you want. You can get help researching this here: [LearnMoreIndiana.org/college/choosing-a-college/school-finder-tool](https://www.learnmoreindiana.org/college/choosing-a-college/school-finder-tool). If you don't know what you want to study, that's okay! You can work with your school counselor this year to do career exploration. There will be resources at your college to assist with this, too. You can likely apply with "undecided," but do your research before College Application Week to make sure that is an option at the schools to which you plan to apply.

Application Fee Waivers

Typically, fee waivers are available to students for whom the college application fees would create a financial burden. Students who are eligible for fee waivers to college entrance exams, like the SAT or ACT, are usually also eligible for application fee waivers. Some Indiana colleges offer free applications to all students. Visit [LearnMoreIndiana.org/college/applying-to-schools/#fee-header](https://www.learnmoreindiana.org/college/applying-to-schools/#fee-header) to find out what application fees are at each of Indiana's colleges public and private (non-profit) colleges. Not all colleges accept fee waivers. Of those that do, the most common are:

- **ACT fee waiver** (If you are eligible for a fee waiver for the ACT your school counselor can fill out a form to obtain one for you.)
- **College Board fee waiver** (If you are eligible for a fee waiver for the SAT, your counselor can fill out a form to obtain one for you.)
- **National Association for College Admission Counseling (NACAC) fee waiver** (If your counselor agrees that you meet one of the requirements such as: family income, receiving public assistance, being an orphan or ward of the state, or meeting other criteria, you or your counselor can learn more at [nacacnet.org/studentinfo/feewaiver/pages/default.aspx](https://www.nacacnet.org/studentinfo/feewaiver/pages/default.aspx).)
- **21st Century Scholar fee waiver** (if you are a 21st Century Scholar, almost all public colleges accept this fee waiver and some private colleges do as well. View a list of 21st Century Scholar incentives at [Scholars.IN.gov/students/high-school-#12th-grade](https://www.scholars.in.gov/students/high-school-#12th-grade)—see Scholar Support and Incentives.)
- **Veterans fee waiver** (Ask your school counselor for a fee waiver if you are the child of veteran(s).)
- **Campus visits fee waiver** (Some colleges offer fee waivers if you have visited their campus prior to applying. Contact the college's admissions office to find out more.)
