

QUESTIONS TO GET YOU STARTED

Test your high school graduation and go-to-college IQ with this important worksheet. If you don't know the answers to any questions, look for them throughout **LearnMoreIndiana.org** or ask your school counselor.

Are you on track for graduation?

Yes No

- Are you taking at least one AP, IB, Honors or dual credit course this semester?
- Are you taking a math course?
- Are you on track to completing Core 40 with Academic Honors or Core 40 with Technical Honors?
- Are you taking a world language? Bonus tip! The Core 40 with Academic Honors requires 6-8 credits of World Languages, so it's in your best interest to start now.
- Have you evaluated your test scores and report cards to identify subjects that need more of your attention?

Are you on track for college?

Yes No

- Have you taken or signed up for the PSAT and/or PLAN?
- Are you involved in a student organization or community service?
- Have you researched college majors or apprenticeship programs?
- Do you know what the FAFSA is?
- Have you researched college scholarships?
Bonus tip! Check out LearnMoreIndiana.org/cost.

What's your IQ?

The more "yes" boxes you checked, the more on track you are to completing high school and college successfully- and connecting to the career you want. Missed more than a few? It's not too late to talk to your school counselor, parents and teachers and get on track.
