

COMPARE COLLEGE OPTIONS

Start researching your college options at **LearnMoreIndiana.org/college**. Enter colleges you are considering and their stats in the grid below. Make extra copies if you are comparing more than two schools. Take a look at your completed worksheet and reflect on the information. What do you think?

Name		
Location		
Type (Two-year, four-year, etc. / public or private)		
Number of students		
Average class size		
Where I'd live (dorm, apartment, home)		
Potential major and future career		
Cost (tuition, fees, room and board)		
What I like best about this option		
What I like least about this option
