

Indiana 21st Century Scholars

GUIDE

TO COLLEGE

AUGUST 2024

USING THE 21ST CENTURY SCHOLARSHIP

HOW THE 21ST CENTURY SCHOLARSHIP WORKS

- Students must enroll at an eligible Indiana college or university within one year of graduating high school.
- The funds are claimed directly by the institution on behalf of the student, **NOT paid directly** to the student; the 21st Century Scholarship should be listed on the student's award notification letter and **applied directly to the student's bursar accounts**.
- It can be used to pay **regularly assessed tuition and fees** at a public or private college or university in Indiana.
- It does not cover room and board, books, or other expenses associated with college enrollment.
- It is valid for **eight (8) semesters** of full-time enrollment at Indiana two- and four-year colleges. The scholarship must be used within eight (8) years of activation.*
- Students must enroll full time (at least 12 credit hours per semester). However, we recommend students take 15 credits per semester to stay on track to meet 21st Century Scholars completion requirements and graduate on time.

HOW TO RECEIVE THE FULL 21ST CENTURY SCHOLARSHIP EACH YEAR

1. File the FAFSA by Indiana's April 15 priority deadline or the desired institutions' deadline and make all corrections before the scholarship can be distributed.
2. Complete at least 30 credit hours each academic year.
 - Credit hour requirements can include college credit earned in high school and in summer college courses. The 21st Century Scholarship can be applied toward summer tuition if the student has unused funds (check with home institution's financial aid office).
 - Students who do not complete at least 30 credits each academic year can reactivate the 21st Century Scholarship by completing 30 credit hours in the year in which they do not receive the 21st Century Scholarship.
 - 21st Century Scholars who complete fewer credits may be eligible for the Frank O'Bannon (FOB) grant which pays a fraction of the 21st Century Scholarship—if they show financial need and complete between 24-29 credit hours the previous school year. Students will not be eligible to receive either the 21st Century Scholarship or the FOB grant if they complete fewer than 24 credit hours in a year.
3. Maintain Satisfactory Academic Progress (SAP) as determined by their institution.
 - At colleges and universities, maintaining SAP includes staying on pace to graduate and completing a degree within a set time frame. SAP also includes maintaining a minimum cumulative grade point average (GPA) and successfully completing a percentage of cumulative attempted coursework. Institutions typically set a limit on incompletes and withdrawals from courses.
 - Each institution determines its own SAP guidelines.

ON-CAMPUS FINANCIAL AID ASSISTANCE

HELPFUL OFFICES ON MOST CAMPUSES

The financial aid office on campus processes all bills and payments for tuition and room and board. They can help you make a payment plan if you have an outstanding balance on your account. They also provide refunds to students who have a positive balance on their school accounts. These offices can fall under multiple names but still offer similar assistance. Names for financial aid offices include: bursar office, payment services, and more.

* Special circumstances can be appealed.

Indiana 21st Century Scholars

Additional Resources

I'm a
SCHOLAR

ACHIEVE * SUCCEED

LEARN THE LINGO

- **College Enrollment:** Represents students reported as registered in postsecondary education, regardless of institution type, within the year following high school graduation
- **Cost of Attendance:** Tuition and fees plus other costs students would typically pay, such as books, transportation, and room and board.
- **Dual Credit Status:** Students who earned credit hours awarded by Indiana public colleges that were recognized by both the high school and the postsecondary institution.
- **Grants:** Tend to be based on financial need and do not need to be paid back.
- **High School Diploma Type:** Students who graduated and received an Academic Honors Diploma, an Academic and Technical Honors Diploma, or an International Baccalaureate Diploma. Core 40 represents students who received a Core 40 Diploma or a Technical Honors Diploma.
- **Income Level:** Income level may be broken into three distinct groups: students who participated in the Free/Reduced Lunch (FRL) program during senior year but did not graduate as a 21st Century Scholar; students who graduated as a 21st Century Scholar and non-FRL, non-Scholar students, who may also be referred to as middle- or higher-income students.
- **Institutional Aid:** Financial aid provided by the student's college.
- **Merit-Based Aid:** Aid awarded to students who have distinguished themselves academically, artistically, athletically, or in another area.
- **Need-Based Aid:** Aid provided to students who have demonstrated financial need.
- **On-Time:** (same campus, same degree level): Students who completed a degree on time at the same level initially sought at the same Indiana public college/ university system in which they initially enrolled.
- **Pell Grant:** Similar to the Frank O'Bannon grant, this federal grant is available to low-income students on a prorated basis.
- **Scholarships:** Aid that tends to be based on merit and do not need to be paid back.
- **Sticker Price:** Cost before financial aid is factored in.
- **Subsidized Loan:** A Subsidized Loan is a federal student loan where a borrower isn't generally responsible for paying interest while in an in-school, grace, or deferment period.
- **Tuition:** Sum of money charged for teaching or instruction by a school, college, or university.
- **Unsubsidized Loan:** An Unsubsidized Loan through the Direct Loan Program offers students a low, fixed interest rate and flexible repayment terms. It's not based on financial need.

Financial Means Testing

GRADUATING CLASS OF 2025

Does your family meet financial requirements to receive the 21st Century Scholarship in college?

Background on financial means testing

The financial means test is based on annual household income. To maintain the scholarship, Scholars must be members of households that meet the **Indiana Choice Scholarship** eligibility requirements and be enrolled in the 21st Century Scholarship.

Financial means testing takes place prior to the first year of college enrollment. To ensure eligibility, students must be U.S. citizens or eligible non-citizens.

The family size and income reported on the Free Application for Federal Student Aid (FAFSA) is used to determine which Federal Free and Reduced Price Lunch Program (FRPL) family size applies to the Scholar. The table to the right lists the maximum income by family size for **2025 graduates**.

Special Circumstances

Any student who does not meet financial eligibility requirements will still qualify if the student meets one of the following circumstances:

- The student qualifies for the Federal Pell Grant.
- The student enrolled in the 21st Century Scholars program in the 7th or 8th grade as a result of the student being placed in a legal guardianship.
- The student enrolled in the 21st Century Scholars program as a result of the student being placed in foster care.

What do Scholars need to do?

Every Scholar must complete the FAFSA each year to receive financial aid, so Scholars do not need to submit any additional income information for financial means testing.

Will this affect how much money Scholars receive for college?

The 21st Century Scholars program was designed to help Indiana's low-income students pay for college. Scholars who demonstrate financial need based on the FAFSA associated with first-time college enrollment remain eligible for the scholarship. Scholars who fail to meet the means testing guidelines may receive a one-time award of up to \$2,500.

Remember that financial need isn't the only requirement to keep the scholarship. Visit www.Scholars.IN.gov to view academic and other requirements.

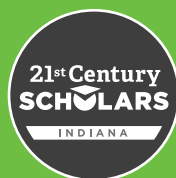

MAXIMUM INCOME BY FAMILY SIZE

(400% of the 2022-2023 FRPL)

2	\$135,496
3	\$170,424
4	\$205,352

For each additional family member, add \$34,928.
