# GRADE 12

In 12th grade, your Scholar Success Program requirements will keep you on the right track as you finish your final year of high school!

## Submit your College Application

You won't be going to college if you don't apply first. Here you'll choose the college you want to attend, get everything together for your application, and apply!

## Watch "College Success 101"

From explaining things like registering for classes and getting your books to how to get involved on campus, "College Success 101" can help you navigate the questions you might have about college life.

## File your FAFSA

The Free Application for Federal Student Aid (FAFSA) is how the federal government determines how much financial assistance you may be eligible for. You'll need to fill it out to receive any financial aid from your school, including your 21st Century Scholarship.
