

Dear [FIRST NAME],

You have the opportunity to go to college here in Indiana! The Indiana Pre-Admissions: Your Path to College initiative will outline your options. College covers education after high school, from short-term training to a four-year degree.

Some high school seniors will be pre-admitted to select colleges this fall. Your high school is participating. Your junior year GPA and/or SAT score are the criteria used for pre-admissions.

In the coming weeks, your official Indiana Pre-Admissions letter will arrive in the mail. The letter will indicate the campuses you have been pre-admitted to and your next steps.

To receive your official admission letter from a campus you wish to attend, you first must apply. The letter will direct you to a website to explore all your options for college and apply. That website will include application links, deadlines, and campus-specific information.

There are 39 Indiana public and private campuses participating in the Indiana Pre-Admissions initiative.
