

# GRADUATION PLAN

Grades 9 to 12

This Graduation Plan will help you prepare for your future. Keep the plan current by working with a school counselor, parent, or caring adult. You can explore options for education and training after high school and learn how to prepare for what's next at [LearnMoreIndiana.org/college](http://LearnMoreIndiana.org/college).

The first step in exploring your career options is understanding what you’re good at and what you enjoy. What are your skills and interests? While choosing a career can be overwhelming, there are tools that can help! Use the Indiana Career Explorer to explore careers, education and training, resources, and more: <https://indianacareerexplorer.com/>.

After using the Indiana Career Explorer, list 5 careers you would like to explore in the box below:

My Careers
1.
2.
3.
4.
5.

Every career field has different degrees or credentials that are required for you to be successful. From apprenticeships to doctorate degrees, there are many options for education and training after high school. Use the Indiana Career Explorer to find the highest degree or credential requirement for your chosen career field. <https://indianacareerexplorer.com/careers/search>

Which degree or credential type is required for your **top** career field? Check the box below.

- ☐ Special training or apprenticeship
- ☐ Certificate
- ☐ Associate degree
- ☐ Bachelor’s degree
- ☐ Master’s degree
- ☐ Doctorate degree

Finding a school to attend is a big decision, and there are many factors to consider: cost of attendance, location, and academic programming are just a few. We are here to help! Use one of these databases or your school’s resources to research schools and find the best options for you and your career path:

Big Future College Search <https://bigfuture.collegeboard.org/college-search>  
US DOE College Navigator <https://nces.ed.gov/collegenavigator/>

After utilizing the above resources, list 5 schools you would like to attend in the box below:

My Schools	
1.	
2.	
3.	
4.	
5.	

It is recommended to create a ScholarTrack account at scholartrack.in.gov and use the **College Connections** tool to rank your school choices and who you want to hear from! These choices can be changed at any time as your interests evolve.

Unsure about your future plans? That’s OK! Learn More Indiana offers many resources for students who are exploring their options. <https://learnmoreindiana.org/college/resources/career-discovery>

## HIGH SCHOOL DIPLOMA PLAN

### The *NEW* Indiana Diploma

The Indiana Diploma structure includes a base (minimum requirements) for every student, plus the opportunity to earn readiness seals aligned with their unique path. Students are encouraged to seize this flexibility by personalizing their high school experience.

Note: 21st Century Scholars starting with the Class of 2029 must earn the Indiana Diploma to qualify for their scholarship. Learn more about maintaining your eligibility at <https://learnmoreindiana.org/scholars#eligibility>.

### Readiness Seals

Readiness seals are designed to be permeable, allowing students to update their graduation plan and pivot if their original interests and goals change. Although seals are optional, students are encouraged to utilize the blueprints below to focus their flexible credits into a connected pathway that aligns with their future goals. Students may earn one or multiple seals. Graduation Pathways requirements will be satisfied through completion of any seal.
