

Dear [FIRST NAME],

You have the opportunity to go to college here in Indiana! The Indiana Pre-Admissions: Your Path to College initiative will outline your options. College covers education after high school, from short-term training to a four-year degree.

As a high school senior, you will have the chance to be pre-admitted to select colleges this fall using your cumulative GPA through your junior year, SAT score, and/or anticipated diploma type.

In the coming weeks, your official Indiana Pre-Admissions letter will arrive in the mail. The letter will indicate the campuses you have been pre-admitted to and your next steps.

To receive your official admission letter from a campus you wish to attend, you must still apply. The Indiana Pre-Admissions letter will direct you to Learn More Indiana's website to explore all your options for college. That website will include application links, deadlines, and campus-specific information.
