

Dear [FIRST NAME],

There are so many great opportunities to continue your education right here in Indiana! The *Indiana Pre-Admissions: Your Path to College* initiative highlights the options you have to enroll in college after high school and makes it even easier to connect with these opportunities. College covers education after high school, from short-term training to a four-year degree.

As a high school senior, you will have the chance to be pre-admitted to select colleges this fall using your cumulative GPA through your junior year, SAT score, and/or anticipated diploma type. As part of *Indiana Pre-Admissions*, graduating with the new Indiana Diploma with the Enrollment Honors Plus Seal ensures guaranteed admission to all Indiana public colleges and universities, as well as many private Indiana colleges.

In the coming weeks, your official *Indiana Pre-Admissions* letter will arrive in the mail. The letter will indicate the campuses you have been pre-admitted to and your next steps.

To be officially admitted to a campus you wish to attend, **you must still apply**. The *Indiana Pre-Admissions* letter will direct you to Learn More Indiana's website to explore all your options for college. That website will include application links, deadlines, and campus-specific information.

There are 42 Indiana public and private campuses participating in the *Indiana Pre-Admissions* initiative in 2026.
